### **Crystal Room Cafe/Bar/Lounge**

Naming rights to The Media Theatre's newly renovated Crystal Room for the 2015-16 Holiday Season. Last year, the ever popular "Cafe Thenardier" featured during Les Miserables served as our exclusive lounge during the run from November - January. Patrons in between shows and during intermission were able to head upstairs for a cocktail or a hot chocolate and a delicious pastry.

Naming rights would guarantee a mention in our pre show speech for every single show! This means exposure at 50 shows to thousands of people viewing!

\$5,000 for the Holiday Season/Run of Billy Elliot the Musical (Nov. 1 - Jan 3)

### **Crystal Room Rental**
